## British Marquis Here Incognito Ripples Society

THE thrill of entertaining angels unawares is not to be compared to the thrill which comes from harboring royalty incognito—at least to a democratic people which dearly loves a lord. Scarcely had one begun to wonder how the grandson of one of the most famous sovereigns of English history and the brother of a queen could slip into New York without causing the slightest ripple of excitement, when he stepped up in Washington, unheralded and un-

—Alexander Albert Mountbatten, Marquis of Carisbrooke, Earl of Berkshire, Viscount Luncannon, is in this country on a private mission and has been singularly fortunate in maintaining the incognito which he so greatly desires. He has come to Washington to be the guest, for a few days, of Congressman and Mrs. Nicholas Longworth, who are old acquaintances.

Mr. and Mrs. Longworth entertained at dinner last evening for their distinguished guest, additional guests being asked in afterward for an informal musicale. Mrs. Cornelius Vanderbilt, Jr., whom the marquis visited while in New York, accompanied him to Washington and is also staying with Mr. and Mrs. Longworth.

Today, Marshall Field entertained at luncheon in compliment to the marquis and Mrs. Vanderbilt, inviting a most distinguished little company of guests to meet them. There were twenty-four in the party.

As the brother of Queen Victoria of Spain and the grandson of the late Queen Victoria of England, the visitor is naturally a personage of consequence to both the Spanish and British embassies and, with his hosts, he was entertained at luncheon yesterday by the Spanish Ambassador and Mme. de Riano. Tonight there will be a small dinner at the British embassy, with Lady Geddes as hostess. The members of the staff will be present and a few other guests.

### GRANDSON OF QUEEN VICTORIA.

The Marquis of Carisbrooke is the oldest of the three children of Princess Beatrice, the youngest child of Queen Victoria, and consequently is a first cousin of the King of England. His father was the late Prince Henry Maurice of Battenberg, who was admiral in the British navy when the war broke out, and who resigned his command owing to the intense anti-German prejudice which developed against him. It was this distinguished gentleman who was a much feted guest at both the British and the German embassies in Washington in 1905.

During the war the very name of Battenberg became so offensive to the English people that the family anglicized it into Mountbatten, giving up at the same time all German titles and affiliations. The Marquis of Carisbrooke then ceased to be His Highness Princess Alexander Albert of Battenberg, and in 1917 was created the Marquis of Carisbrooke, taking his title from Carisbrooke Castle in the Isle of Wight, his mother, Princess Beatrice, being governor and captain of the Isle of Wight, and governor of Carisbrooke Castle. The young marquis was in the royal navy from 1902 to 1908, becoming a second lieutenant in the grenadier guards in 1911. He served in the great war, rose to the rank of captain and later joined the staff.

Mrs. John Allan Dougherty entertained at luncheon today for Mrs. Thomas Riley Marshall and twenty-eight guests, including Mrs. Bainbridge Colby, Lady Geddes, wife of the British ambassador, Baroness Shidehara, wife of the Japanese Ambassador, Mrs. Thomas F. Walsh, Madame Collardet, wife of the military attaché of the French embassy, Commissioner Mabel Boardman, Mrs. Joseph Folk, Mrs. McCormick Goodhart, Mrs. Stephen Elkins, Mrs. Wilfred Dupuy, Mrs. John Joyce Broderick, Mrs. Lawrence Townsend, Mrs. Sumner Welles, Mrs. Randolph Miner, Mrs. Francis E. Warren, Mrs. Gary Sanger, Madame Vegliasso Celesta, Mrs. C. C. McChord, Miss Rose, a guest at the British embassy, Mrs. Key Pittman, Mrs. George Ehle, Miss Mary Gwynn.

### DR. GRENFELL TO SPEAK.

Through the courtesy of Lady Geddes, wife of the British Ambassador, the ballroom of the British embassy has been loaned for a lecture this afternoon by Dr. Wilfred Grenfell, medical missionary to Labrador. Invitations have been sent out by Henry E. F. Macfarland and admission will be by card.

This is one of a series of talks which Dr. Grenfell will give in connection with the drive for an endowment fund to perpetuate the great humanitarian work among the deep sea fishermen of the coasts of Labrador, Canada and Gloucester, Mass. Dr. Grenfell will be remembered as having been best man at the marriage of Francis Bowes Sayre and Miss Jessie Wilson, eldest daughter of the President. With Mrs. Grenfell, he is staying with Mr. and Mrs. Charles Henry Butler. Many of those who will hear him speak today had opportunity to meet him at the reception which Mr. and Mrs. Butler gave on Saturday night.

The dinner which was to have been given at the British embassy on Wednesday night has been cancelled on account of the absence of the British Ambassador, Sir Auckland Geddes, who has gone abroad. While he is away, Robert Leslie Craigie, first secretary of the embassy, will be charge d'affaires.

Ralph Graves entertained about twenty guests at an informal supper party last night.

Mrs. Charles S. Brownwell will entertain at dinner tonight, having among her guests Gay, Albert Ritchie, of Maryland, who will come up from Baltimore for the occasion.

The British Ambassador and Lady Geddes who were to have been the honor guests were obliged to cancel their engagement as the Ambassador has gone abroad on an unexpected

visit, and Lady Geddes is entertaining at an impromptu dinner for the Marquis of Carisbrooke, who is the distinguished guest of Congressman and Mrs. Nicholas Longworth.

Miss Adelaide Oxnard who was to have given a luncheon today for her guest, Miss Virginia Harrison, of the Philippine Islands, and Miss Katherine Mackey who is the guest of Mrs. Lawrence Townsend, has postponed it until Thursday.

The Third Assistant Secretary of State and Mrs. Merle-Smith will entertain a small but distinguished company of guests this evening when the French Ambassador and Mme. Jusserand will be the honor guests.

The Charge d'Affaires of Italy and Mme. Brambilla will give a dinner tonight for the Hon. Mrs. Erskine, wife of the British minister to Cuba, who arrived today to stay with them until Wednesday. They entertained a smart company at breakfast, having as guests Congressman and Mrs. John Jacob Rogers, the counsel of the Polish legation and Countess Pulaski, Mrs. Hon. Stephen B. Henderson and Capt. Jean F. J. E. Rigal, of the French embassy.

The new minister from Nicaragua, Dr. Alejandro Cesar, and Senora de Cesar have taken an apartment at 2400 Sixteenth street for the winter.

The charge d'affaires of the Netherlands legation, Jonker W. H. de Beaufort, has sailed from Holland for New York, and will arrive there next week and come direct to Washington.

Mrs. Robert Lansing, who has been out of town for a few days, will return in time today to observe her usual Monday afternoon at home.

Mrs. William A. Slater entertained a dinner company of young people last evening.

Senator and Mrs. F. R. Gooding, of Idaho, are established at the Willard for this session of Congress. Senator Gooding, who was formerly governor of Idaho, succeeds Senator John F. Nugent.

Mrs. John B. Henderson was hostess last night at one of a series of dinner parties she is giving.

### JENKINS BUYS HOME HERE.

Mrs. Richard H. Traver has sold her house at the corner of Connecticut avenue and Q street to Laban L. Jenkins, of Asheville, N. C., who will make his future home in Washington. He is a director of the Continental Trust Company.

Mrs. Clayton, widow of Major Powell Clayton, U. S. A., who has been living in New York for the last two years, has returned to Washington to make her home and has purchased the residence 1906 R street.

Mr. and Mrs. Lawrence Townsend entertained guests at luncheon yesterday. Miss Katherine Mackey, daughter of Clarence Mackey, of New York, is visiting Mr. and Mrs. Townsend.

Dr. and Mrs. J. Baldwin Rutherford announce the engagement of their daughter, Miss Dorothy Adams Rutherford, to Lewis H. Lehman, of Chicago, Ill. The wedding is to take place in the early summer. Miss Rutherford is the granddaughter of the late William H. Rutherford, lieutenant commander, U. S. N., of civil war fame.

### MRS. BARNETT TO ENTERTAIN.

Mrs. George Barnett, who will soon sail for Europe, will be at home this afternoon at her residence, 2132 Bancroft Place, for the last time before her departure. And tomorrow evening she will entertain a large company at dinner.

Mrs. Barnett will accompany Mrs. Charles H. Patterson on her trip abroad. They will sail on Wednesday, leaving Washington Tuesday at midnight, and expect to visit Coblenz and Paris. On her return next month, Mrs. Barnett will be accompanied by her daughter, Miss Lella Gordon, who has been studying in Paris since autumn.

While her mother is away, Miss Anne Gordon, Mrs. Barnett's youngest daughter, will remain at their Washington home with her grandmother, Mrs. Montague.

Capt. John O. Donaldson has come from San Antonio, Texas, to be the guest of his parents, Brig. Gen. and Mrs. T. Q. Donaldson, for a few days.

Mrs. Peter Murray will give a bridge party at the Dresden on Thursday in compliment to Mrs. Atkins.

### WOMEN'S LEGION TO MEET.

The St. Michael Unit of the Women's Legion of the Great War, of which Mrs. T. Q. Donaldson is president, will meet today at 4 o'clock at her residence, 1829 Kalorama road. A full meeting is desired, as the members of the unit, who have been visiting the hospital, want to discuss taking up other activities.

Mr. and Mrs. Rolfe Bolling will be hosts at dinner next Saturday evening at Wardman Park Hotel.

Mr. and Mrs. Wade Ellis left Washington last evening for New York, where they will be the guests at the banquet of the Ohio Society of New York, to be given at the Waldorf-Astoria. They will return to Washington Wednesday.
